- 1. READY TO ROAST?** Preheat the oven to 200°C. Spread the sweet potato on a roasting tray. Coat in oil, ½ the NOMU rub, and seasoning. Roast in the oven until cooked through and crispy, 35-40 minutes (shifting halfway). Alternatively, air fry at 200°C until crispy, 25-30 minutes (shifting halfway).
- 2. PICKLE & SALAD** In a bowl, combine the vinegar, 3 [4] tbsp of water, seasoning, and a sweetener (to taste). Mix until the sweetener is dissolved. Toss through the cucumber and set aside. Just before serving, discard the pickling liquid and add the salad leaves, the sun-dried tomatoes, a drizzle of olive oil, and seasoning to the bowl with the cucumber. Toss until combined.
- 3. YOU CAN WITH PECANS** Place the pecans in a pan over medium heat. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside.
- 4. FRY THE STEAK** Return the pan to medium-high heat with a drizzle of oil. Pat the venison dry with paper towel. When hot, sear the venison until browned, 2-3 minutes per side (for medium-rare). In the final 1-2 minutes, baste the venison with a knob of butter and the remaining NOMU rub. Remove from the pan and set aside to rest for 3-5 minutes before slicing and seasoning.
- 5. SERVE UP!** Plate up the roasted wedges and side with the ostrich slices and the fresh salad. Garnish with the pecans. Serve the mayo on the side for dunking. Tuck in, Chef!
