1. SIMMER & STEAM Rinse the rice and place in a pot over medium-high heat. Submerge in 450ml of salted water and pop on the lid. Once boiling, reduce the heat and simmer for 10 minutes until most of the water has been absorbed. Keeping the lid on, remove from the heat and steam for 10 minutes. Drain if necessary and fluff up with a fork.

2. MAKE MINCEMEAT OF THIS STEP Place a pan over medium heat with a drizzle of oil. When hot, fry the diced onion for 5-7 minutes until soft, shifting occasionally. Add the mince and work quickly to break it up as it starts to cook. Caramelize for 4-5 minutes until browned, shifting occasionally. Add the rub and fry for 1-2 minutes until fragrant, shifting constantly.

3. FANTASTIC FRAGRANCES When the rub is fragrant, add the cooked chopped tomato and 100ml of water to the pan. Bring to a simmer. Once simmering, lower the heat and cook for 10-12 minutes until reduced and thickened, stirring occasionally.

4. PERFECT THE STEW When the stew has 3-4 minutes remaining, add the drained kidney beans. Season with a sweetener of choice, salt, and pepper. Loosen the sour cream with a splash of water.

5. SENSATIONAL SPANISH Bowl up the steaming rice and spoon over the Spanish ostrich. Drizzle over the sour cream and it is time to dig in, Chef!
