## From Your Kitchen

Oil (cooking, olive or coconut)  
Salt & Pepper  
Water  
Butter

**1. PREP & ROAST THE VEG** Preheat the oven to 200°C. Cut the flesh of the aubergine halves with a crosshatch pattern about 1cm deep and place on a roasting tray, cut-side up, with the onion wedges. Coat in ½ the NOMU rub, seasoning, and a drizzle of oil. Roast in the hot oven until charred, 30-35 minutes. Place the kale into a bowl with a drizzle of oil. Using your hands, gently massage until softened and coated. Toss in the rinsed chickpeas, the remaining NOMU rub, a drizzle of oil and seasoning. Set aside.

**2. SUNNY SEEDS** Place the sunflower seeds in a pan over medium heat. Toast until golden brown, 2-3 minutes (shifting occasionally). Remove from the pan and set aside.

**3. EMMENTAL CHEESE SAUCE** Return the pan to medium heat with 10g of butter. When the butter starts to foam, add the grated garlic and fry until fragrant, 30-60 seconds (shifting constantly). Add the flour and fry, 1-2 minutes (shifting constantly). Remove the saucepan from the heat, and gradually stir in the milk, making sure there are no lumps. Return the sauce to a medium heat, mix through the grated cheese and stir until melted. Loosen with a splash of water, season and cover.

**4. PAST THE HALFWAY MARK** When the aubergine reaches the halfway mark, add the dressed kale and chickpeas to the tray and return to the oven for the remaining time.

**5. TASTY TOMATO** When the roast is done, toss the chopped sun-dried tomatoes through the veg and set aside. Gently heat the cheese sauce before serving, if needed.

**6. VEGETARIAN FEAST** Plate up the roasted aubergine halves and side with the roasted veg. Drizzle over the cheese sauce and garnish with the chopped parsley & toasted seeds. Amazing, Chef!
