Ingredients & Prep

1	Onion <i>½ peeled & cut into wedges</i>
120g	Carrot <i>½ peeled (optional) & sliced into rounds</i>
100g	Baby Marrow <i>rinsed & cut into bite-sized chunks</i>
1	Garlic Clove <i>peeled & grated</i>
10ml	Tomato Paste
5ml	NOMU Provençal Rub
200g	Cooked Chopped Tomato
75g	Mini Elbow Pasta
4g	Fresh Parsley <i>rinsed & finely chopped</i>

From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Butter (optional)

1. VEGGIE, VEGGIE NICE! Place the pot over a medium-high heat with a drizzle of oil and knob of butter (optional). Add the onion wedges and fry for 3-4 minutes until soft and translucent, shifting occasionally. Add the carrot rounds and the baby marrow chunks and fry for 3-4 minutes until slightly softened, shifting occasionally. Add the grated garlic, the tomato paste, and the rub. Fry for 1 minute until fragrant, shifting constantly.

2. SOUPER, KEEP GOING! Add the cooked chopped tomato, 400ml of water, and the pasta to the pot of veg. Reduce the heat and leave to simmer for 15-20 minutes, stirring occasionally. On completion, the veg and pasta should be cooked through. Season to taste. A minestrone is traditionally a very thin soup, so don't worry if it's very thin!

3. MINESTRONE MAGIC! Dish up a hearty helping of the veggie-packed minestrone soup. Garnish with the chopped parsley and dig in, Chef!

Chef's Tip

Be careful not to over salt your soup before it's finished cooking! As the water simmers and evaporates, the salt will intensify. So make sure you season lightly and then well at the end.
