1. ROASTED POTATO MASH Preheat the oven to 200°C. Spread the potato on a roasting tray. Coat in oil, season and cover over in foil. Roast in the hot oven until golden, 25-30 minutes (shifting halfway). Alternatively, air fry at 200°C with the potatoes fully covered in foil until cooked through, 20-25 minutes (shifting halfway). Place the roasted potatoes in a bowl with a small knob of butter. Mash with a fork and cover.

2. MARINATE & SMOKY MAYO In a bowl, combine the red wine vinegar with a drizzle of olive oil, sweetener of your choice and seasoning. Mix until everything is fully emulsified. Add in the radish and allow this to pickle for 5 minutes. Then add in the baby tomatoes, season and set aside. In a separate bowl, combine the mayo, oregano and ¼ of the smoked Cajun blend. Mix until everything is well combined, season and set aside for later.

3. CRACK ON WITH THE CROQUETTES In the bowl with the mash, add in the chopped chorizo, ¾ of the cheese, the remaining smoked Cajun blend, 10ml [20ml] of the cake flour and season. Mix until everything is well combined. Divide the mixture into 6 [12] equal parts. Roll into a sausage shape as you form each croquette. Once all the croquettes are formed, put them in the freezer for 10 minutes.

4. CHARRED CORN Place a pan over medium-high heat with a drizzle of oil. When hot, fry the corn until lightly charred, 3-4 minutes (shifting occasionally). Remove from the pan and set aside.

5. COAT IN CRUMB & FRY Return the pan over medium heat with enough oil to cover the base. Whisk 1 egg in a bowl. Prepare two shallow dishes: one containing the remaining flour (seasoned lightly), and one containing the crumb. Coat the croquettes in the seasoned flour, dusting off any excess flour. Coat in the whisked egg, and lastly the crumb. Repeat this step with each croquette. Set aside. Once the oil is hot, gently add in the croquettes and fry until they are golden brown and crispy, 2-3 minutes on each side. Remove from the pan and drain on paper towel.

6. TOMATO SALAD In the bowl with the radish and baby tomatoes, add in the charred corn and green leaves. Season and toss until everything is nicely coated in the dressing.

7. DISH UP & DIP Plate up the fresh salad and plate the croquettes alongside. Sprinkle over the remaining cheese onto the croquettes and serve the Cajun mayo on the side for dipping. Well done, Chef!
