## From Your Kitchen

Cooking Spray  
Seasoning (salt & pepper)  
Water  
Tinfoil  
Paper Towel

1. **RICE** Preheat the oven to 200°C. Place the rice in a pot with 150ml [300ml] of salted water. Cover with a lid and bring to a boil. Reduce the heat and simmer until the water has been absorbed, 25-30 minutes. Drain (if necessary) and cover.

2. **HAKE** Mix the garlic, ginger,  $\frac{3}{4}$  of the coriander, and  $\frac{3}{4}$  of the sesame-soy sauce in a small bowl. Pat the hake dry with paper towel. Place the fish on a piece of foil, coat with the sesame mixture, and season. Wrap the foil tightly around the fish. Roast in the oven until the fish is cooked through, 15-20 minutes.

3. **CUCUMBER** In a bowl, combine the remaining sesame-soy sauce with the cucumber and season.

4. **VEGGIES** Lightly spray the pan with cooking spray and place over a medium heat. When hot, fry the onion until golden, 4-5 minutes (shifting occasionally). Add the spinach and fry until wilted, 2-3 minutes. Remove from the heat and season.

5. **DINNER IS READY** Dish up the rice, top with the veggies, the fish and all the juices. Top with the cucumber and scatter over the chilli (to taste). Garnish with the remaining coriander and enjoy, Chef.

**Chef's Tip** Don't overload the parcel, keep it balanced so the fish steams evenly and leave some air space inside for steam to circulate.
