From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Paper Towel
Butter

1. ROAST VEG Preheat the oven to 200°C. Spread the butternut and the beetroot pieces on a roasting tray. Coat in oil, the dried thyme, and seasoning. Roast in the hot oven until golden, 25-30 minutes (shifting halfway).

2. FRY THE STEAK When the roast has 8-10 minutes remaining, place a pan over medium-high heat with a drizzle of oil. Pat the steak dry with paper towel. When hot, sear the steak fat-side down until crispy, 3-5 minutes. Flip the steak and sear until browned, 2-4 minutes per side (for medium-rare). In the final minute, baste with a knob of butter. Remove from the pan and rest for 5 minutes before slicing and seasoning.

3. JUST BEFORE SERVING In a small bowl, loosen the creamy horseradish with water in 5ml increments until drizzling consistency, and season.

4. DINNER IS READY Plate up the rinsed salad leaves and the roast veg, and side with the steak slices. Drizzle the creamy horseradish over it all to finish. Delish, Chef!
