From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Butter (optional)
Paper Towel

1. TEX-MEX RAGÙ Preheat the oven to 200°C. Boil the kettle. Dilute the stock with 100ml of boiling water and set aside. Place a pot over medium heat with a drizzle of oil. When hot, sauté the diced onion until soft and translucent, 4-5 minutes (shifting occasionally). Mix in the spice blend until fragrant, 1-2 minutes. Stir in the cooked chopped tomato and the diluted stock, then reduce the heat. Simmer until reduced and thickened, 12-15 minutes (stirring occasionally).

2. SPICY CORN SALSA & CRÈME Place a pan over high heat with a drizzle of oil. When hot, fry the corn until charred, 3-4 minutes (shifting occasionally). Transfer to a bowl, and add the chopped jalapeños (to taste). Toss to combine, season, and set aside.

3. OSTRICH STRIPS Return the pan to medium-high heat with a drizzle of oil. Pat the ostrich dry with paper towel. When hot, fry the ostrich until browned, 1-2 minutes (shifting occasionally). Remove from the pan and season.

4. ROLL 'EM UP When the ragù has 2 minutes remaining, stir through the drained black beans to heat through, remove from the pot, and season. Grease a roasting tray or ovenproof dish with butter (optional) or oil. Spread the ragù evenly over the tortillas and top with the ostrich strips. Roll each one up into a tube. Place on the tray or dish and top with the grated cheese. Bake in the hot oven until crisping up and golden, 4-5 minutes.

5. TIME TO DINE Plate up the cheesy ostrich enchiladas and sprinkle over the corn and jalapeño salsa. Dollop over the crème fraîche. Tuck in!
