Oil (cooking, olive or coconut)

Seasoning (salt & pepper)

Water

Paper Towel

- 1. START WITH SPAGHETTI** Bring a pot of salted water to a boil for the pasta. Cook the pasta until al dente, 10-12 minutes. Drain, reserve a cup of water, and toss through a drizzle of olive oil.
- 2. POPPIN' SESAME SEEDS** Place the sesame seeds in a pan over medium heat. Toast until they pop, 2-3 minutes (shifting occasionally). Remove from the pan and set aside.
- 3. BETTER WITH BACON** Return the pan to medium-high heat. When hot, add the bacon and fry until browned and crispy, 2-3 minutes. Remove from the pan, reserving the fat behind in the pan.
- 4. ALL TOGETHER NOW** Return the pan with the bacon fat to the heat and fry the spring onion whites until golden and softening, 3-4 minutes (shifting occasionally). Mix through the kimchi, the cooked pasta, and bacon until heated through, 2-3 minutes (shifting occasionally). Remove from the heat and mix in the kewpie mayo and seasoning. Loosen with the pasta water until desired consistency.
- 5. SO PRETTY ON THE PLATE** Serve up the kimchi pasta and finish with garnishings of seeds, the ginger and the spring onion greens.
