10ml	20ml	Lemon Juice
10g	20g	Cashew Nuts <i>roughly chop</i>
3g	5g	Fresh Coriander <i>rinse &amp; pick</i>

## From Your Kitchen

Oil (cooking, olive or coconut)  
Seasoning (salt & pepper)  
Water  
Paper Towel

**1. RICE** Place the rice in a pot with 200ml [400ml] of salted water. Cover with a lid and bring to a boil. Reduce the heat and simmer until the water has been absorbed, about 10 minutes. Remove from the heat and steam, 8-10 minutes. Fluff with a fork and cover.

**2. BEEF STRIPS** Place a pot over high heat with a drizzle of oil. Pat the beef strips dry with paper towel. When hot, sear the beef until browned, 20-30 seconds (shifting occasionally). Remove from the pot.

**3. CURRY** Return the pot to medium heat with a drizzle of oil if necessary. Fry the spring onion whites until lightly golden, 2-4 minutes (shifting occasionally). Add the curry paste, the ginger, and the garlic. Fry until fragrant, 1-2 minutes (shifting constantly). Pour in the coconut cream and 50ml [100ml] of water. Simmer until slightly reduced and thickening, 5-6 minutes. In the final 1-2 minutes, mix in the beef strips, the peas, the spinach, the lemon juice (to taste), and seasoning. Remove from the heat.

**4. DINNER IS READY** Make a bed of the rice, top with the beef curry, and sprinkle over the nuts. Garnish with a scattering of the spring onion greens and the coriander. Enjoy, Chef!

**Chef's Tip** Place the cashews in a pan over medium heat. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside.
