Ingredients & Prep

150ml	White Basmati Rice
100g	Corn
240g	Black Beans <i>drained & rinsed</i>
20ml	Beef Stock
300g	Pork Mince
20ml	NOMU Mexican Spice Blend
100ml	BBQ Bourbon Sauce
40g	Green Leaves <i>rinsed</i>
100g	Cucumber <i>sliced into thin half-moons</i>
100ml	Crème Fraîche
2	Spring Onions <i>rinsed & thinly sliced</i>

From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Butter (optional)

1. START YOUR FLUFFY RICE Rinse the rice and place in a pot over a medium-high heat. Submerge in 300ml of salted water and pop on a lid. Once boiling, reduce the heat and simmer for 8-10 minutes until most of the water has been absorbed. Keeping the lid on, remove from the heat and set aside to steam for a further 10 minutes. On completion, drain if necessary and fluff up with a fork.

2. CHARRED CORN & BEANS Boil the kettle. Place a pan over a high heat with a drizzle of oil or a knob of butter. When hot, fry the corn for 4-5 minutes until browning, shifting occasionally. Add the drained black beans and fry for 2-3 minutes until heated through. Remove from the pan on completion and set aside. Dilute the stock with 100ml of boiling water.

3. MEXI MINCE Wipe down the pan if necessary and return it to a high heat with another drizzle of oil. When hot, add in the pork mince and work quickly to break it up as it starts to cook. Allow to caramelise for 3-4 minutes, stirring occasionally. Add the Mexican Rub and fry for another 1-2 minutes until fragrant and browned. Stir in the diluted stock and simmer for 3-4 minutes until slightly reduced. When nearing completion, add the BBQ sauce and the corn and beans, and stir through until reheated. On completion, season to taste and remove the pan from the heat.

4. FRESH TOUCH Place the rinsed green leaves in a bowl. Toss through the cucumber half-moons, a drizzle of olive oil, and seasoning to taste.

5. BUEN PROVECHO! Make a pile of steamy rice and smother in the saucy Mexican mince. Garnish with dollops of crème fraîche and a sprinkling of sliced spring onions. Serve with the fresh green salad on the side. Well done, Chef!

Chef's Tip

If you're feeling fancy, slice the green parts of the spring onion into long, thin strips and place them in a bowl of ice water to make them curly for your garnish!
