From Your Kitchen

Oil (cooking, olive or coconut)
Water
Paper Towel
Butter
Seasoning (salt & pepper)

1. **SOME PREP** Preheat the oven to 200°C. Place a pan over medium heat with a drizzle of oil. When hot, add the garlic, thyme, and the flour. Fry until fragrant, 1-2 minutes (shifting constantly). Pour in the milk and 60ml [120ml] of water. Mix until combined and remove from the heat.

2. **FANCY TATERS** Lightly grease a small roasting dish and layer the potato in the tray. Pour over the garlic-milk mixture and season. Alternatively, create small stacks with the potato. Place in the oven and roast until cooked through and golden, 35-40 minutes. In the final 5 minutes, turn the oven onto the grill setting or the highest temperature.

3. **CRISPY CARROTS** Spread the carrot on a roasting tray. Coat in oil and season. Roast in the hot oven until golden, 25-30 minutes (shifting halfway). Alternatively, air fry at 200°C until crispy, 20-25 minutes (shifting halfway).

4. **EN GARDE!** When the potato has 10-15 minutes remaining, pat the swordfish dry with paper towel. Return the pan to medium-high heat with a drizzle of oil. When hot, fry the fish until golden and cooked through, 2-3 minutes per side (depending on the thickness of the fish fillet). In the final minute, baste with a knob of butter, the NOMU rub and the lemon juice (to taste). Remove from the pan and season.

5. **SENSATIONAL SIDE** When the carrots are done, toss through the feta, chives and the crispy onion bits. Set aside.

6. **BON APPÉTIT** Plate up the creamy potato dauphinoise (leaving behind any excess sauce). Side with the lemony swordfish and the carrot feta salad. Good job, Chef!
