1. READY, STEADY, COOK! In a bowl, combine the cream cheese and pesto. In a separate bowl, combine the vinegar with a drizzle of olive oil, sweetener (to taste) and season. Mix until emulsified. Mix in the olives, cucumber and basil. Set aside in the fridge.

2. O-YUM OSTRICH Place a pan over medium-high heat with a drizzle of oil. Pat the ostrich dry with paper towel. When hot, fry the ostrich until browned, 1-2 minutes (shifting occasionally). Remove from the pan and season. Cut into bite-sized pieces.

3. HOMEMADE TOMATO SAUCE Return the pan to medium heat with a drizzle of oil and a knob of butter. Fry the onion until soft, 5-6 minutes. Add the spice mix and fry until fragrant, 1-2 minutes. Mix in the tomato passata and 15ml [20ml] of a sweetener (to taste). Simmer the sauce on medium-low heat until it has slightly reduced, 4-5 minutes. Remove from the heat and season. Loosen with a splash of water if it is too thick. Toss the ostrich in the sauce until well coated.

4. TIME TO TOAST Place a clean pan (with a lid) over medium heat. When hot, toast the pitas until heated through, 30-40 seconds per side. Alternatively, place them on a plate and heat up in the microwave, 1-2 minutes. Cut the pita/s in half to create a pocket. Fill the pita pocket with the saucy ostrich and top with the cheese.

5. MELT THE CHEESE Return the pan to medium heat and add the pita pockets. Cover with the lid and allow the cheese to melt and the ostrich to heat through for 1-2 minutes. Remove from the pan and set aside. Alternatively, air fry at 200°C until the cheese has melted, 2-3 minutes.

6. NO ORDINARY MEAL Plate up the pita pockets and dollop over the basil cream cheese on top. Serve with the cucumber and basil salad on the side. Well done, Chef!
