## From Your Kitchen

Oil (cooking, olive or coconut)  
Salt & Pepper  
Water  
Paper Towel  
Butter  
Tea Towel

**1. HASHY UP & PREP** Using the bigger holes on a grater, grate the peeled potato and place in a bowl of water. Set aside.

**2. GIVE IT A SQUEEZE** Place the grated potatoes on a clean tea towel and squeeze out the excess water. Place in a bowl. Add the diced onion, the grated garlic, ½ the sliced chives, the flour mix, and seasoning. Mix until combined. Shape into 2-3 mini hashbrowns per portion.

**3. CRISP & BROWN** Place a pan over medium heat with enough oil to cover the base. When hot, fry the hashbrowns until crispy and golden, 3-4 minutes per side (turning as they colour). You may need to do this step in batches. Remove from the pan and drain on paper towel. Cover to keep warm.

**4. SIZZLING STEAK** Place a pan over medium-high heat with a drizzle of oil. Pat the ostrich dry with paper towel. When hot, sear the ostrich until browned, 2-3 minutes per side (for medium-rare). In the final 1-2 minutes, baste with a knob of butter. Remove from the pan and set aside to rest for 5 minutes before slicing and seasoning.

**5. CHARRED BEANS** Place a pan over medium-high heat with a drizzle of oil. When hot, fry the green beans until starting to char, 6-7 minutes (shifting occasionally). Remove from the pan, season, and cover.

**6. GET DRESSED** In a bowl, combine the rinsed salad leaves, the charred green beans, the cranberry & seed mix, seasoning, and a drizzle of oil. In a small bowl, combine the sour cream with the juice from 4 lemon wedges and some seasoning.

**7. WHAT A NIGHT** Plate up the golden hashbrowns and side with the zingy sour cream for dunking. Serve with the salad and the steak slices. Garnish with the remaining chives and lemon wedges alongside. Lovely, Chef!
