1. BROWN THE VEG Place a pan over medium heat with a drizzle of oil. When hot, fry the diced onion and the pumpkin chunks until browned and starting to soften, 7-8 minutes (shifting occasionally).

2. SPICY TOMATO SAUCE Add the tomato paste, the Jamaican Fish Spice, and 1/2 the chilli flakes (to taste) and cook until fragrant, 1-2 minutes (shifting constantly). Stir through the cooked chopped tomato, a sweetener and 800ml of water. Simmer until reduced and thickening, 10-15 minutes.

3. CRISPY POPPADOMS While the sauce is reduced, place a clean pan over a medium-high heat with enough oil to cover the base. When hot, shallow fry the poppadoms one at a time, about 30 seconds per side. As soon as the poppadom starts to curl, use tongs to flip it over and flatten it out. Keep flipping and flattening until golden and puffed up. Alternatively, heat the poppadoms in the microwave until crispy, 20-30 seconds.

4. FLAKY HAKE When the sauce has 5 minutes remaining, submerge the hake pieces into the sauce and simmer for the remaining time until cooked through and flaking. Remove from the heat, season and drizzle over the lime juice.

5. JAMAICAN ME HUNGRY Serve up a generous helping of the steaming hake stew and scatter over the chopped parsley and any remaining chilli flakes for an extra kick. Serve a poppadom on the side for scooping. Get eating, Chef!
