- and place on a chopping board. Using a sharp knife, slice into one side of the breast, starting at the thicker end and ending at the thinner point (be careful not to cut through to the other side.) Open up the breast so that it resembles a butterfly. Cover with cling wrap and pummel with a rolling pin or bottle to create an even thickness. Season the inside of the chicken. Layer 2-3 tomato rounds and a spoonful of the mozzarella and basil mixture onto one side of the breast. Fold the other side of the breast over the filling to close it back up.
- 3. INTO THE OVEN Season the outside of the chicken and drizzle with oil. Place the stuffed chicken on a separate roasting tray and roast in the hot oven until cooked through and golden, 12-15 minutes.
- 4. PREP STEP Place the pesto in a small bowl. Add olive oil or water in 5ml increments until drizzling consistency. Set aside. In a separate bowl, combine the sweet balsamic mustard, a drizzle of olive oil, and seasoning. Set aside.
