Seasoning (salt & pepper)

Water

Paper Towel

Cooking Spray (or oil of your choice)

**1. ROAST BUTTERNUT** Preheat the oven to 200°C. Spread the butternut on a roasting tray. Lightly coat in cooking spray and season. Roast in the hot oven until golden, 35-40 minutes (shifting halfway). Alternatively, air fry at 200°C until crispy, 25-30 minutes (shifting halfway).

**2. FRY THE CHICKEN** Place a pan over medium heat and lightly add cooking spray. Pat the chicken dry with paper towel. When hot, fry the chicken until golden and cooked through, 1-2 minutes per side. You may need to do this step in batches. Remove from the pan, season, and set aside.

**3. CURRY-LICIOUS** Return the pan to medium heat. Fry the pepper until slightly charred, 3-4 minutes, shifting as it colours. Remove from the pan and set aside. Fry the onion until golden, 5-6 minutes (shifting occasionally). Add the curry powder and fry until fragrant, 1-2 minutes (shifting occasionally). Add the cooked chopped tomato, ½ the coriander, the fish sauce and 150ml [200ml] of water. Season and simmer for 10-12 minutes (shifting occasionally).

**4. CREAMY COCONUT MILK** Add the chicken back to the pan with the coconut milk and the pepper and allow to cook through, 3-4 minutes (shifting occasionally). Remove the curry from the heat and mix through the butternut.

**5. SAVOUR THE FLAVOUR** Bowl up this warm and rich curry, and garnish with the remaining coriander. And there you have it, dinner is ready, Chef!
