1. LET'S GET GOING Place a pan over a medium heat with a drizzle of oil. When hot, add the pepper pieces and ½ the diced onion and fry for 4-6 minutes until soft, shifting occasionally. Remove from pan on completion and set aside.

2. PICADILLO-STYLE MINCE Return the pan to a medium heat with a drizzle of oil. When hot, add the mince and work quickly to break it up as it starts to cook. Allow to caramelise for 3-4 minutes until browned, shifting occasionally. Add the ground cumin, ½ the chilli flakes (to taste), the raisins, the halved olives, the fried onion and pepper, and seasoning. Allow to cook for 5-6 minutes, shifting occasionally. Remove from the pan on completion and cover to keep warm.

3. TOMATO SALSA & GUAC While the mince is frying, roughly dice the tomato and place in a bowl. Add the remaining onion, the juice of 1 lime wedge, a drizzle of oil, and seasoning. Mix until fully combined and set aside. In a small bowl, combine the crème fraîche, the guacamole, and seasoning. Add water in 5ml increments until drizzling consistency.

4. TOASTING TORTILLAS Wipe down the pan and return it to a medium heat. When hot, dry toast the tortillas for 15 seconds per side until warmed through and lightly crisped. Once heated, stack under a dry tea towel to stop them from getting cold or drying out.

5. CUBAN-STYLE FEASTING Lay down the corn tortillas. Top with the mince picadillo and the tomato salsa. Drizzle over the crème fraîche & guacamole sauce and sprinkle over the remaining chilli flakes (to taste). Serve with a lime wedge. Enjoy, Chef!

Chef's Tip

If you'd prefer, plate everything up separately and load your corn tortilla as you like! Alternatively, use the corn tortilla like a nacho to dip into all the goodness!
