From Your Kitchen

Oil (cooking, olive or coconut)
Seasoning (salt & pepper)
Water
Butter
Paper Towel
Milk (optional)

1. MASH Place the potato in a pot of salted water. Bring to a boil and cook until soft, 15-20 minutes. Drain and return to the pot. Add a knob of butter (optional) and a splash of water or milk (optional). Mash with a fork, season, and cover.

2. BEEF Place a pan over medium-high heat with a drizzle of oil. Pat the steak dry with paper towel. When hot, sear the steak fat-side down until crispy, 3-5 minutes. Flip the steak and sear until browned, 2-4 minutes per side (for medium-rare). In the final minute, baste with a knob of butter. Remove from the pan and rest for 5 minutes before slicing and seasoning.

3. CREAMED CORN Place a small pot over medium heat with a drizzle of oil and a knob of butter. When hot, fry the corn until lightly charred, 3-4 minutes. Add the garlic and paprika. Fry until fragrant, 30-60 seconds. Mix in the sour cream, Dijon mustard, cheese, and a splash of water. Cook until combined and warmed through, 1-2 minutes. Remove from the heat and season.

4. DINNER IS READY Plate up the buttery mash, side with creamed corn and the beef slices. Garnish with a scatter of basil and crispy onions. Cheers, Chef!

Chef's Tip Mash potatoes while they're hot for the smoothest, creamiest result.
