Salt & Pepper

1. ROAST VEG Preheat the oven to 200°C. Spread out the butternut pieces on a roasting tray. Coat in oil and season. Roast in the hot oven for 30-35 minutes. Place the tomato wedges in a bowl. Coat in oil and season. When the butternut reaches the halfway mark, give the tray a shift and add the dressed tomatoes to the tray. Return to the oven for the remaining cooking time until the tomatoes are lightly charred and the butternut is crispy.

2. SOME PREP In a bowl, combine the yoghurt with the chopped parsley. Mix in some lemon zest and the juice of 3 lemon wedges. Season to taste and set aside for serving. Place the shredded kale in a bowl with a drizzle of oil, a squeeze of lemon juice, and some seasoning. Using your hands, massage the kale until soft and coated in oil. Set aside for serving. If you prefer cooked kale, scatter it over the roasting butternut and tomatoes in the final 10 minutes.

3. TOASTY ALMONDS Place the flaked almonds in a large pan over a medium heat. Toast for 3-5 minutes until golden brown, shifting occasionally. Remove from the pan on completion.

4. SUCCULENT STEAK Return the pan to a medium-high heat with a drizzle of oil. Pat the steaks dry with paper towel. When the pan is hot, sear the steaks fat-side down, for 3-5 minutes until crispy. Then, fry for 2-4 minutes per side, or until cooked to your preference (this time frame may depend on the thickness of the steaks). Remove from the pan on completion and rest for 5 minutes before slicing. Lightly season the slices.

5. TIME TO ENJOY! Scoop up some roast butternut and tomatoes. Top with the sliced beef and serve the lemony kale on the side. Drizzle over the zesty yoghurt dressing and garnish with the toasted almond flakes. Delicious!
