1. TO THE BEET Preheat the oven to 200°C. Place the beetroot chunks on a roasting tray, coat in oil, and season. Roast in the hot oven for 30-35 minutes until cooked through and becoming crispy, shifting halfway.

2. TOASTY NUTS Place a nonstick pan over a medium-high heat with the chopped walnuts. Toast for 3-5 minutes until golden brown, shifting occasionally. Remove from the pan on completion.

3. PERFECT PORK Return the pan to a medium heat. Pat the pork fillets dry with some paper towel. Coat in oil, and season to taste. When the pan is hot, sear the pork for 4-6 minutes or until cooked through, shifting and turning as it colours. On completion, it should be browned all over and cooked through. Remove from the pan and set aside to rest for 5 minutes.

4. PARSLEY PARTY Spread out the chopped parsley on a plate or shallow dish. Once the fillets have rested, roll the fillets through the chopped parsley until well coated. Slice and season.

5. DRESSED TO IMPRESS In a bowl (large enough for the salad), combine the coconut yoghurt, the mustard, a squeeze of lemon juice (to taste), and some seasoning. Mix until fully combined. Add the shredded green leaves, the apple wedges, the crumbled blue cheese, seasoning, and the toasted walnuts. Toss until fully coated.

6. WELCOME TO THE WALDORF! Serve up a generous helping of the creamy crunchy salad. Top with the herby pork slices and the roasted beetroot. Serve any remaining lemon wedges on the side. Enjoy, Chef!

Chef's Tip

Apples brown quickly when exposed to fresh air. This is called oxidation. When preparing your apples, squeeze over some lemon juice to prevent this from happening.
