## From Your Kitchen

Cooking Spray  
Seasoning (salt & pepper)  
Water  
Tea Towel

**1. READY THE ROSTI** In a small bowl, mix the flour with 20ml [40ml] of warm water. Mix it well to get all the lumps out. Grate the potato and place in a clean tea towel with ½ the kimchi and some salt. Let it sit for 5-10 minutes so the water is drawn out of the potatoes. Close up the tea towel tightly and squeeze out as much liquid from the potato as possible. Discard the liquid. Place the mixture in a bowl.

**2. PREP, PICKLE & MIX** In another small bowl, add the lemon juice and coconut sugar. Mix to dissolve the sugar. Add the cucumber to the pickling liquid and set aside. Mix the wasabi powder (to taste) with the yoghurt and set aside.

**3. FLAVOURFUL CHICKEN FRITTER** Transfer the potato mixture to a medium-sized bowl. Add the flour slurry to the potatoes, mixing it well so it is all covered in the flour mixture. Add the mince and some seasoning. Mix to combine. Place a pan over medium heat with some cooking spray. Divide the mixture into 3-6 [4-8] equal parts. Add the mix to the hot pan and spread out with the back of a spoon (to form a large fritter). Fry until golden, crispy and cooked through, 2-3 minutes a side.

**4. A FOOD ADVENTURE** Plate up the fritters, topped with a dollop of the wasabi yoghurt. Layer it up with the green leaves, the remaining kimchi (to taste), the pickled cucumber and the daikon. Dinner is ready, Chef!

**Chef's Tip** Flipping the rosti: Cover the pan with a chopping board or a plate. Flip the pan quickly (and with confidence!), so the rosti flips onto the board or plate. Slide the rosti back into the pan, so the uncooked side is on the base of the pan.
