## From Your Kitchen

Oil (cooking, olive or coconut)  
Salt & Pepper  
Water  
Cling Wrap  
Blender  
Paper Towel

**1. RED ROAST** Preheat the oven to 200°C. Place the whole peppers on a roasting tray. Coat in oil. Pop in the hot oven and roast for 15-20 minutes, until cooked through and starting to char. On completion, remove from the oven and place in a bowl. Cover the bowl with cling wrap or a plate and set aside to steam for 10-15 minutes.

**2. CRISPY CHIPS & CHICKEN** When the peppers have been roasting for 10 minutes, pat the chicken pieces dry with paper towel, coat in oil, and season. Generously cover the base of a roasting tray in oil. Add the potato chips, season, toss until coated, and spread out in a single layer. Add the dressed chicken pieces to the tray and roast in the hot oven for 30-35 minutes until cooked through and crispy. At the halfway mark, gently shift the chips and drain any excess oil. Return to the oven for the remaining roasting time. Drain the chips on a paper towel on completion.

**3. FLAMIN' HOT SAUCE** When the peppers are done steaming, peel off the skin. Cut in half and remove the seeds. Set half the peppers aside and thinly slice. Place the remaining pepper halves in a blender. Add the chilli (to taste), vinegar, grated garlic (to taste), rub, chipotle flakes (to taste), seasoning, and 40ml of water. Pulse until smooth. On completion, remove from the blender and place in a pan over a medium-high heat. Leave to simmer for 2-3 minutes until slightly reduced. Season to taste.

**4. BASTE & TOSS** When the chicken has 5 minutes remaining, remove from the oven and baste the chicken with ½ the pepper-chilli sauce. Return to the oven and roast for the remaining time. In a bowl, combine the rinsed green leaves, the red pepper strips, the radish rounds, ½ the chopped almonds, a drizzle of oil, and seasoning.

**5. FIERY DINNER** Pile up the chilli chicken. Side with the fresh salad and the crispy chips. Serve the remaining chilli sauce on the side for dunking. Sprinkle over the chopped parsley and the remaining chopped almonds. Jump right in, Chef!

## Chef's Tip

This chilli sauce can be made with a variety of different herbs and spices. We recommend trying it out with paprika, oregano, or even garam masala!
