From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Sugar/Sweetener/Honey

1. BEGIN THE CURRY Boil the kettle. Dilute the stock with 500ml of boiling water. Place a pot over a medium-high heat with a generous drizzle of oil. When hot, add the potato pieces and chopped carrots. Fry for 8-10 until they start turning golden, stirring occasionally. Add the diced onion and cook for 5-6 minutes until the onion is soft and translucent. Add the mince, and continue to cook for 6-7 minutes until the mince is caramelised.

2. BRING THE FLAVA! Stir through the tomato paste and Rogan Josh paste and cook for 2-3 minutes until fragrant. Pour in the diluted stock and cooked chopped tomato and bring to a boil. Reduce the heat and simmer for 15-20 minutes. In the final 3-4 minutes, stir through the shredded spinach until wilted. Season and add a sweetener of choice to taste (optional). On completion, the veggies should be cooked and the sauce should be reduced and thickened.

3. NEARLY THERE Place the grated carrot and ¾ of the chopped mint in a bowl with a drizzle of olive oil. Season and set aside.

4. CRISPY POPPADOMS Place a pan over a medium-high heat with enough oil to cover the base. When hot, shallow fry the poppadoms one at a time for 30 seconds per side. As soon as the poppadom starts curling, use a spatula or tongs to flip it over and flatten it out. Keep flipping and flattening until golden and puffed up.

5. TIME TO NOM! Dish up a hearty helping of the Rogan Josh curry, side with the minty-grated carrot and a crispy poppadom. Dollop over the raita and finish with a scattering of the remaining mint. Perfection, Chef!

Chef's Tip

Veg peels are rich in fiber, vitamins, minerals and antioxidants, making them one of the most nutritious parts of a plant. Eat your fruits and vegetables unpeeled whenever possible.
