From Your Kitchen

Salt & Pepper
Water

Butter

1. START THE WEDGES Preheat the oven to 200°C. Weigh out 60g of butter and set aside to come to room temperature. Spread out the potato wedges on a roasting tray. Coat in oil, a little seasoning, and the Cajun Rub to taste. Roast in the hot oven for 35-40 minutes.

2. LITTLE GREEN SEEDS Place a large, nonstick pan over a medium heat. When hot, toast the seeds for 3-5 minutes until they begin to pop and turn brown. Remove from the pan on completion and set aside to cool.

3. YOU'RE HALFWAY! When the potatoes reaches the halfway mark, give them a shift and sprinkle over the chipotle chilli flakes to taste. Return to the oven for the remaining roasting time until cooked through and crisping up. For the dressing, whisk together the honey, 40ml of olive oil, and the juice of 2 lemon wedges. Season to taste and set aside for step 5.

4. BUTTER UP YOUR RUMP Combine the softened butter with the grated garlic. Pat the steaks dry with paper towel and coat in oil. Return the pan to a medium-high heat. When hot, sear the steaks fat-side down for 2-3 minutes until crispy. Fry for 2-4 minutes per side or until cooked to your preference. (The time this takes will depend on the thickness of the steaks.) In the final minute, baste with the garlic butter. Remove the steaks from the pan and set aside to rest for 5 minutes. Pour out ½ of the garlic butter juices and set aside for serving, leaving the remaining juices in the pan.

5. TIME TO TIE THINGS UP Return the pan to a medium-high heat. Sauté the shredded spinach for 5-6 minutes until wilted and coated in juices. Remove the pan from the heat on completion. Place the rinsed green leaves and sliced radish in a bowl. Toss through the dressing to taste until coated. Thinly slice the steaks and season.

6. RAZZLE-DAZZLE DINNER Make a bed of sautéed spinach, lay the tender slices of rump on top, and drizzle over the reserved garlic butter juices to taste. Side with the spicy wedges and crunchy salad. Finally, garnish with the toasted pumpkin seeds. Look at you go, Chef!

Chef's Tip

If the honey is too hard to mix, pop it in the microwave for 5-10 seconds before use. To make the salad dressing, place the ingredients in a clean jar, close the lid up tight, and shake, shake, shake! Using a jar emulsifies it much more successfully than just mixing it in a bowl!
