1. **CHICK & ONION** Place a pan over medium-high heat. Lightly coat the chickpeas and onion with cooking spray. When hot, fry the chickpeas and onion until crispy and golden, 8-10 minutes (shifting occasionally). If the chickpeas start to pop out, use a lid to rein them in. Remove from the pan and season. Alternatively: Air fry at 200°C until cooked through and crispy, 15-20 minutes (shifting halfway).

2. **MARROWS** Return the pan to medium-high heat and lightly coat the baby marrow with cooking spray. Fry the baby marrow until lightly charred, 3-4 minutes (shifting occasionally). Remove from the pan and season.

3. **CHICKEN** Return the pan to medium heat. Pat the chicken dry with paper towel and lightly coat with cooking spray. When hot, fry the chicken until golden and cooked through, 1-2 minutes per side. During the final 30-60 seconds, spice the chicken with the NOMU rub. Remove from the pan, season, and set aside.

4. **CREAMY GREEN SAUCE** Return the pan, wiped down, to medium heat and lightly coat with cooking spray. When hot, fry the peas and the garlic until fragrant, 1-2 minutes. Remove from the pan and add to the blender along with the yoghurt and 2 [4] tbsp of water. Pulse until a smooth sauce. Remove from the blender, season, and set aside. Alternatively: Add the garlicky peas and the yoghurt to a bowl. Mash with a fork or a potato masher until combined. Loosen with 2 [4] tbsp of water, mix to combine and season.

5. **DINNER IS SERVED** Combine the salad leaves with the chickpeas and onions. Make a bed of the green sauce, top with the loaded chickpeas, the baby marrow pieces, and the chicken. Well done, Chef!

Chef's Tip To check if your chicken is ready, pierce it with a knife. If it's cooked through, the juices will run clear.
