1. **LOADED RICE** Place the rice in a pot with 600ml [800ml] of salted water. Cover with a lid and bring to a boil. Reduce the heat and simmer until the water has been absorbed, 25-30 minutes. Drain (if necessary).

2. **BEEF** Pat the beef strips dry with paper towel, then coat with the zingy teriyaki, chilli flakes (to taste), and seasoning. Set aside to marinate for 10-15 minutes. Thread the onions and beef strips onto the skewers until all are filled. Place a pan over a high heat and lightly spray with cooking spray. When hot, sear the beef skewers until browned, 3-4 minutes per side. In the final 30–60 seconds, deglaze the pan with any remaining zingy marinade. Remove from the pan and set aside.

3. **ALL TOGETHER** Return the pan to medium heat and lightly spray with cooking spray if necessary. Fry the carrot until lightly charred but still crunchy, 5-6 minutes (shifting occasionally). Add the edamame beans, the spinach, the cooked rice, and the rice seasoning. Cook until the spinach is wilted, 3-4 minutes.

4. **DINNER IS READY** Make a bed of the loaded rice, top with the beef skewers, and sprinkle over the coriander. Well done, Chef!
