## Ingredients & Prep

300g	Baby Potatoes <i>rinsed &amp; halved</i>
300g	Beetroot <i>rinsed, trimmed &amp; cut into bite-size chunks</i>
125ml	Ground Almonds
3	Dalewood Fromage Mini Camembert
20g	Pumpkin Seeds
100g	Kale <i>rinsed &amp; roughly shredded</i>
40g	Dried Cranberries
30ml	Raspberry Vinegar
1	Lemon <i>cut into wedges</i>
5g	Fresh Mint <i>rinsed &amp; picked</i>

## From Your Kitchen

Oil (cooking, olive or coconut)  
Salt & Pepper  
Butter  
Water  
Egg

**1. ROAST TATERS** Preheat the oven to 200°C. Place the halved baby potatoes and beetroot chunks on a roasting tray. Spread out in a single layer, coat in oil, and season to taste. Roast in the hot oven for 35-40 minutes until cooked through, shifting halfway.

**2. CRUMBED CAMEMBERT** Whisk 1 egg in a dish with a tsp of water. Prepare a second dish containing the ground almonds. Coat one mini camembert in the egg mixture first, and then in the ground almonds. When coating in the ground almonds, press them into the cheese so they stick and coat evenly. Repeat this process to create a second coating. On completion, it should be fully coated in a thick crust. Repeat with each mini camembert and set aside until frying.

**3. TOAST THE SEEDS** Place the pumpkin seeds in a pan over a medium heat. Toast for 3-5 minutes until they begin to pop and turn brown. Remove from the pan on completion and set aside to cool.

**4. CRISP THE KALE** When the roast veg is halfway, place the kale in a bowl with some and seasoning. Using your hands, massage until soft and coated in oil. Remove the tray of veg from the oven and scatter over the kale. Return to the oven and cook for the remaining time until becoming crispy.

**5. GOLDEN CAMEMBERT** Return the pan to a high-heat with enough oil to cover the base. When hot, fry the crumbed camembert for 1-2 minutes per side until crispy and golden. Transfer to a small, lightly greased baking tray and pop in the oven under the veg roast to keep warm until serving.

**6. TANGY CRANBERRIES** Drain the oil from frying the camembert, reserving about a tbsp in the pan. Return to medium-high heat with a large knob of butter. When it begins to foam, add in the dried cranberries, raspberry vinegar, and lemon juice to taste. Reduce the heat and sauté for 3-4 minutes until the cranberries are soft, stirring constantly. Remove from the heat on completion.

**7. DEVOUR!** Make a bed of roast potatoes, beetroot, and kale. Pop the crunchy camembert on top and cover with the cranberries. Sprinkle over the toasted seeds and garnish with the rinsed mint leaves. Serve with a lemon wedge on the side. Bon appétit, Chef!

## Chef's Tip

Kale is high in iron, and it's also high in vitamin C, which increases iron absorption. Simply sauté it or crisp it in the oven. It's also delicious raw, but first needs to be coated in an acid (like lemon juice) for its nutrients to be available to your body.
