From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Milk (optional)
Paper Towel
Butter (optional)

1. STEAM THE CARROT Boil the kettle. Dilute the stock and rub mix with 360ml of boiling water and set aside. Place a pot over a medium-high heat with 3cm of boiling water covering the base. Once steaming, place the carrot chunks in a colander over the pot. Cover with a lid and allow to steam for 20-25 minutes until cooked through and soft. If the water starts to dry out before the carrot is cooked, simply add a little more to the pot to continue. Alternatively, use a steamer if you have one. Drain on completion and return to the pot. Cover with a lid to keep warm and set aside.

2. START FRYING Pat the venison strips dry with paper towel. Place a large pan over a high heat with a drizzle of oil. When hot, sear the strips for 1-2 minutes until browned but not cooked through. On completion, season and set aside in a bowl. Return the pan to a medium-high heat with another drizzle of oil and a knob of butter (optional). When hot, fry the sliced mushrooms for 5-6 minutes until golden, shifting as they colour. Remove from the pan and add to the bowl of venison.

3. THE STROGANOFF BASE Wipe down the pan and return it to a medium heat with another drizzle of oil. When hot, sauté the sliced onion for 4-5 minutes until soft. Add the smoked paprika to taste and sauté for 30-60 seconds until fragrant. Stir through the flour and fry for another 30-60 seconds, shifting constantly. Gradually mix in the diluted stock mix, stirring continuously to prevent lumps. Bring to a simmer and cook for 5-6 minutes until thickened, stirring occasionally.

4. WHILE THE SAUCE IS SIMMERING... In a salad bowl, combine the balsamic vinegar with 15ml of olive oil and some seasoning. Toss through the rinsed leaves and set aside for serving. When the carrot is cooked and drained, add in a knob of butter or coconut oil (optional) and a splash of milk or warm water. Mash until smooth and season. Replace the lid and set aside for serving.

5. LAST STRETCH! When the sauce has thickened, add in the venison and mushrooms, and simmer for another 2-3 minutes until the venison is cooked through. Stir in the crème fraîche and cook for 1-2 minutes until combined. Season to taste and remove the pan from the heat.

6. DINNER IS SERVED Plate up the vibrant carrot mash next to the silky stroganoff. Serve the dressed leaves on the side, and there you have it!

Chef's Tip

If you have a mandolin, use it to cut/slice up your carrots. Because they're hard vegetables, they take significant time and effort to chop, so make your prep as easy for yourself as possible!
