From Your Kitchen

Oil (cooking, olive or coconut)
Seasoning (salt & pepper)
Water
Paper Towel
Butter
Blender (optional)

1. CARROT Preheat the oven to 200°C. Spread the carrot on a roasting tray. Coat in oil, the harissa paste, and season. Roast in the hot oven until golden, 25-30 minutes (shifting halfway). Alternatively, air fry at 200°C until crispy, 20-25 minutes (shifting halfway).

2. TOAST Place the sunflower seeds in a pan over medium heat. Toast until golden brown, 2-3 minutes (shifting occasionally). Remove from the pan and set aside.

3. LAMB Place a pan over medium-high heat with a drizzle of oil. Pat the lamb dry with paper towel. When hot, sear the lamb until browned, 2-3 minutes per side. In the final 1-2 minutes, baste with a knob of butter and the NOMU rub. Remove from the pan, season, and rest for 5 minutes.

4. PEA PUREE Place a small pot over medium heat with a knob of butter and a drizzle of oil. When hot, fry the garlic until fragrant, 30-60 seconds. Add the peas and the cream and simmer until the peas are warmed through, 2-3 minutes. Remove from the heat and place the pea mixture in a blender with the lemon juice (to taste), and seasoning. Pulse until smooth purée. (Alternatively, If you don't own a blender, make a rustic pea purée. After frying the garlic and adding the peas and the milk, simply mash the peas with a potato masher or a fork and mix until combined.) Add water in 10ml increments if it's too thick for your liking.

5. DINNER TIME Smear the pea purée on a plate, side with the roasted carrot and crumble the feta over the carrot. Serve alongside the lamb chop, sprinkle over the sunflower seeds, and garnish with a sprinkle of the parsley. Cheers, Chef!

Chef's Tip For a restaurant-level smooth purée, after blending, pass through a fine sieve for an ultra-silky finish.
