1. TOAST Place the pumpkin seeds in a pan over medium heat. Toast until golden brown, 3-4 minutes (shifting occasionally). Remove from the pan.

2. DRESSING Return the pan to medium heat with a drizzle of oil. When hot, fry the garlic until fragrant, 30-60 seconds. Remove from the pan. In a bowl, combine the garlic, the balsamic vinegar, the chilli flakes (to taste), a sweetener (to taste), and 30ml [40ml] of olive oil. Mix to emulsify, and season. Add the tomato, the oregano, seasoning, and set aside in the fridge.

3. LENTILS Return the pan (with a lid) to medium-high heat with a drizzle of oil. When hot, toast the lentils until golden and crispy, 12-15 minutes (shifting occasionally). Remove from the pan and season.

4. STEAK Place a grill pan (or return the pan) over medium-high heat with a drizzle of oil. Pat the steak dry with paper towel. When hot, sear the steak fat-side down until crispy, 3-5 minutes. Flip the steak and sear until browned, 2-4 minutes per side (for medium-rare). In the final minute, baste with a knob of butter, the rosemary, and the paprika mix. Remove from the pan and rest for 5 minutes before slicing and seasoning.

5. CHARRING MOMENT Return the pan, wiped down if necessary, to high heat with a drizzle of oil. When hot, fry the baby marrow until lightly charred, 2-3 minutes (shifting occasionally). Remove from the pan and season.

6. DINNER IS READY Make a bed of the tomato, top with the baby marrow, and scatter over the crispy lentils. Lay over the steak slices. Drizzle over the dressing (to taste) and sprinkle over the toasted seeds. Tuck in, Chef!

Chef's Tip To make the salad dressing, place the ingredients in a clean jar, close the lid up tight, and shake. Using a jar emulsifies the dressing much more successfully than just mixing it in a bowl.
