From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Paper Towel

1. RINSE, STEAM & BOIL Place the rinsed rice in a pot over medium-high heat. Submerge in 900ml of salted water and pop on a lid. Once boiling, reduce the heat and simmer for 10 minutes until most of the water has been absorbed. Keeping the lid on, remove from the heat and steam for 10 minutes. Drain if necessary and mix through ½ the chopped coriander.

2. READY TO SALSA? In a bowl, combine the diced onion (to taste), the chopped jalapeño (to taste), the lime juice, a drizzle of oil, and seasoning. Set aside.

3. THINGS ARE JUST PEACHY Place a pan or griddle pan over high heat. When hot, add the peach wedges and fry for 1-2 minutes per side until charred. Cut ½ the charred peaches into pieces and add to the bowl with the onion salsa. Mix until combined. Set aside.

4. PERFECT PORK Pat the pork belly chunks dry with paper towel. Return the pan to a medium-high heat with a drizzle of oil. When hot, add the pork chunks and sear for 3-5 minutes per side or until browned and cooked through. Remove from the pan and season. Cover to keep warm.

5. CHARRED CORN Return the pan to a high heat with a drizzle of oil. When hot, fry the corn for 4-6 minutes until lightly charred, shifting occasionally. Remove from the pan and set aside.

6. A MIX OF YUMMM Just before serving, toss the cooked pork with the salsa. In a salad bowl, combine the charred corn, the salad leaves, the remaining peach wedges, the quartered bocconcini, seasoning, and a drizzle of oil.

7. GET INTO MY BELLY! Make a bed of the rice and top with the pork belly chunks & salsa. Side with the corn salad and sprinkle over the remaining coriander. Stunning work, Chef!

Chef's Tip

Remove the rind from the pork belly using a sharp knife. Cut it into strips and roast in the hot oven for delicious crackling!
