Oil (cooking, olive or coconut)
Salt & Pepper
Water

1. ROAST BUTTERNUT & CHICKPEAS Preheat the oven to 200°C. Spread out the butternut pieces on a roasting tray. Coat in oil, season, and roast in the hot oven for 30-35 minutes. Place the drained chickpeas in a bowl. Toss through a drizzle of oil and some seasoning.

2. TOASTY NUTS & DRESSED LEAVES Place the cashew nuts in a pan over a medium heat. Toast for 3-5 minutes until beginning to pop and turn brown. Remove from the pan. Place the rinsed green leaves in a bowl, toss through a drizzle of oil, and season.

3. MAKE THE CURRY SAUCE Return the pan to a medium heat with a drizzle of oil. When hot, fry the grated garlic and the curry paste (to taste) for about a minute until fragrant, shifting constantly. Stir through $\frac{3}{4}$ of the coconut yoghurt until the curry paste has been incorporated into the liquid. Fry for 1-2 minutes, stirring continuously. On completion, remove from the heat and season to taste with lemon juice, salt, and pepper.

4. YOU'RE HALFWAY When the butternut reaches the halfway mark, remove from the oven and give it a shift. Scatter over the chickpeas and return to the oven for the remaining roasting time. On completion, the chickpeas should be crispy and the butternut should be cooked through and caramelised.

5. CRISPY, SPICY FLATBREAD When the butternut and chickpeas are cooked, remove from the oven and place in a bowl. Cover to keep warm. Turn the oven up to its maximum temperature or the grill setting and pop in a roasting tray to warm up. Once hot, slide the pizza bases onto the tray and par bake for 3-5 minutes until light gold. Remove the bases from the oven and flip over. Smear the curry sauce over the whole surface and evenly scatter over the butternut, chickpeas, and drained chopped pickled peppers. Slide back into the oven and bake for 4-5 minutes until the edges are crispy. Watch closely to ensure they don't burn!

6. GRAB A PLATE! Lay the coconut curry flatbread on a plate or board. Dollop over the remaining coconut yoghurt and top with the dressed green leaves. Fleck with the hemp-coriander pesto and toasted chopped cashew nuts. Finish off with a squeeze of lemon juice. Time to devour this fragrant vegan treat...

Chef's Tip

The humble little lemon is packed with vitamin C. It's a powerful antioxidant, preventing cell damage by neutralising free radicals. You get the double benefit of a happy immune system and happy skin!
