1. YOU CAN CON CARNE Place a pot over medium heat with a drizzle of oil. When hot, add the diced onion and fry until soft, 4-5 minutes (shifting occasionally). Add the mince and work quickly to break it up as it starts to cook. Fry until browned, 5-6 minutes (shifting occasionally). Add the corn and fry until lightly charred, 4-5 minutes (shifting occasionally).

2. CHOP-CHOP! When the corn is charred, add the tomato paste and fry until fragrant, 30-60 seconds (shifting constantly). Add the cooked chopped tomato, the spice mix, and 400ml of water. Bring to a boil and simmer until slightly thickened, 8-10 minutes (stirring occasionally).

3. HAVE SOME AVO While the con carne is simmering, halve the avocados and remove the pips. Peel the skin off, keeping the flesh intact. Thinly slice the avocado. Drizzle over ½ the lemon juice and season.

4. CORIANDER SOUR CREAM In a small bowl, mix the sour cream with ½ the chopped coriander. Loosen with water in 5ml increments until drizzling consistency. Set aside.

5. FINISHING TOUCHES When the con carne has thickened, stir through the drained kidney beans. Add a sweetener, the remaining lemon juice, and seasoning.

6. DINNER IS SERVED Bowl up the lamb con carne. Top with the avo slices and drizzle over the coriander sour cream. Garnish with the remaining coriander. Cheers, Chef!
