1. TOAST Bring a pot of salted water to a boil for the pasta. Place the chopped almonds in a pan over medium heat. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside.

2. CARAMELISED MINCE Return the pan to medium-high heat with a drizzle of oil. When hot, fry the mince and work quickly to break it up as it starts to cook. Fry until browned, 3-4 minutes (shifting occasionally).

3. MUSHROOMS Add the sliced mushrooms, the diced onions, and the diced peppers to the pan with the mince, and fry until turning golden, 5-6 minutes (shifting occasionally). Add the cornflour and the seasoned stock. Fry until fragrant, 1-2 minutes. Mix in 150ml of water. Simmer until thickening and slightly reduced, 6-8 minutes. In the final minute, mix in the rinsed spinach. Remove from the heat and mix in the mustard crème, the lemon juice (to taste), and seasoning.

4. PASTA While the sauce is simmering, cook the pasta until al dente, 1-2 minutes. Drain and toss through a drizzle of olive oil.

5. DINNER IS READY Make a bed of the pasta, pour over the creamy mince, sprinkle over the toasted almonds, and garnish with the chopped dill. Well done, Chef!

Chef's Tip

Cooking pasta in salted water allows it to absorb the salt, enhancing its flavour, because the salt is dispersed throughout the dish and not just on the surface of the pasta.
