Plant-based Butter Alternative

1. **AMAZING AUBS** Preheat the oven to 220°C. Spread the aubergine and butternut on a roasting tray, coat in oil, and season. Roast in the hot oven until golden, 25-30 minutes (shifting halfway). Alternatively, air fry at 200°C until crispy, 20-25 minutes (shifting halfway).

2. **FLAVOURFUL CHICKPEAS** Coat the chickpeas in oil, ⅓ of the spice mix, and seasoning. Spread out in a single layer on another roasting tray and set aside. When the roast has 10 minutes left, add the chickpea tray to the hot oven for the remaining time.

3. **PIQUANTÉ PEPPERS** Place a deep pan over medium heat with a drizzle of oil. When hot, fry the onion until golden, 4-5 minutes (shifting occasionally). Add the piquanté peppers, the garlic, and the remaining spice mix, and cook until fragrant, 30-60 seconds (shifting constantly). Mix through the cooked chopped tomato and 200ml [400ml] of water. Remove from the heat, and set aside.

4. **IT'S ALL ABOUT THE BASE** When the aubergine has finished roasting, add it to the pan with the tomato base. Lightly mash with a fork or potato masher. Return it to medium heat and simmer until the sauce has thickened, 5-6 minutes. Mix through the butternut, a sweetener, and seasoning. Cover and set aside.

5. **BUTTERED BAGUETTE ROUNDS** Spread butter alternative (optional) or oil over the baguette rounds. Place a pan over medium heat. When hot, toast the rounds until golden, 1-2 minutes per side. Alternatively, you can place the buttered rounds in a single layer on a baking tray, sprinkle over a little water, and bake in the hot oven until toasted, 3-5 minutes.

6. **LOOK, IT'S ZAALOUK!** Plate up the chunky zaalouk. Scatter over the chickpeas. Garnish with the coriander, and drizzle over some olive oil. Side with the baguette rounds for dunking. Well done, Chef!
