Seasoning (salt & pepper)

Cooking Spray

**1. CARROTS & KALE** Place the kale in a bowl and coat in cooking spray. Using your hands, gently massage until softened and set aside. Place a pan over a medium-high heat. When hot, add the carrots and lightly coat in cooking spray. Fry until lightly golden and cooked through, 10-12 minutes (shifting occasionally). In the final 3-4 minutes, add the kale and cook until wilted. Baste with the orange glaze. Remove from the heat and season.

**2. BEANS** While the carrots are on the go, place a pan over medium-high heat. When hot, add the green beans and lightly coat in cooking spray. Fry until lightly charred, 5-6 minutes. Add the garlic and fry until fragrant, 20-30 seconds. Remove from the pan and season.

**3. STEAK** Return the pan, wiped down, to medium-high heat. Pat the ostrich dry with paper towel, lightly coat in cooking spray and coat with the NOMU rub. Sear the ostrich until browned, 2-3 minutes per side (for medium-rare). Remove from the pan and set aside to rest for 5 minutes before slicing and seasoning.

**4. TIME TO EAT** Dish up the carrot and kale salad, crumble the goat's cheese over, and side with the garlicky green beans, and the ostrich steak. Dig in, Chef!
