## Peruvian Ostrich Stew

with carrots & potatoes

How exciting, Chef! After today, you can add Peruvian food to your culturally-rich culinary repertoire. With a combination of cuisines such as the Inca, Spanish, Italian, Chinese, Japanese, and Africa, this mouthwatering, multidimensional stew features seared ostrich, a special UCOOK spice mix, red wine, tangy tomato paste & fresh parsley.

## From Your Kitchen

Oil (cooking, olive or coconut)  
Salt & Pepper  
Water  
Sugar/Sweetener/Honey  
Paper Towel  
Butter

**1. BROWN OSTRICH** Place a pot over high heat with a drizzle of oil and a knob of butter. Pat the ostrich dry with paper towel. When hot, sear the ostrich until browned, 1-2 minutes (shifting occasionally). Remove from the pot.

**2. START THE STEW** Return the pot to medium-high heat with a drizzle of oil if necessary. When hot, fry the carrot pieces, the diced onions, and the potatoes until browned, 7-8 minutes. Add the tomato paste, the grated garlic, the spice mix, and fry until fragrant, 2-3 minutes. Deglaze the pot with the wine and simmer until almost evaporated.

**3. FINISH THE STEW** Add the cooked chopped tomato and 600ml of water to the pot. Simmer until the veggies are cooked through and the sauce is thickening, 15-20 minutes. In the final 1-2 minutes, add the browned ostrich chunks and simmer until warmed through. Add a sweetener (to taste) and season.

**4. GOLDEN BREAD** Spread butter or oil over the bread slices. Place a pan over medium heat. When hot, toast the bread slices until golden, 1-2 minutes per side. Remove from the pan.

**5. DINNER IS READY** Bowl up the ostrich stew and sprinkle over the chopped parsley. Serve the golden bread on the side. Dig in, Chef!
